Minden Echo & Haliburton Recorder

## Front Page Editorials . . .

### Sunday Is The Sabbath Day

Sunday is the Sabbath Day, so let's keep it that way — it is intended to be a day of rest. But as time goes by, inch by inch, Sunday is becoming just another day instead of a day of rest. Just how far is it going to go?

The push is now on in the larger centres to open up all the stores, with some already being open on Sundays where the greedy are out for the almighty dollar. When these stores stay open it forces the employees to work on Sundays, depriving them of a day of rest and the opportunity to attend the church of their choice.

We hope that the day will never come when all the stores in Haliburton County will be open on Sundays. Surely we can make enough money in six days of the week without having to open on Sunday — the Lord's day.

In these days of world unrest and changes in the moral code, it seems to us that if we are to survive we must turn to the Lord and the work of His church. How would you like to live in this community, or any other community, without churches. If it was not for the churches it wouldn't be safe to live in any community.

If some of these people who are so anxious to open up their businesses on Sunday would take their Sundays and attend church once in a while they would be all the better citizens for it, and we could go out and say that we are living in a Christian community.

### It's Grant Time Again

The County Council of the Provisional County of Haliburton are now faced with the task of seeing just what they will give in the line of a grant to the Haliburton Highlands Chamber of Commerce. Some members of County Council feel they wouldn't mind raising the grant if they could see that the Chamber was spending the money where it is going to do the most good. Other members of the County Council feel the same way as we do, that most of the money is being spent on summer promotion and not enough on winter promotion and in trying to bring some kind of industry into the county.

As far as the summer months are concerned, it seems to us that we have more visitors than we can handle most of the time so why not start to work on something else that is going to keep us going for the other ten months. We fail to see that the Chamber of Commerce is doing anything more than promoting business for six weeks or two months at the most in the height of the summer.

Most business establishments in the county, no matter how large or how small, are starting to realize that they can't make enough money in the two summer months to meet their obligations for the remainder of the year.

At various times suggestions have come up to the Chamber of Commerce which they are supposed to look into but there has been very little action taken on any of them.

Let us make it quite clear that we are 100 per cent for summer business and welcome our visitors to the county, but let's not forget that there is another ten months of the year, and it is high time we got something going before we all starve to death.

There's one thing we are going to have to decide — is this going to be a Chamber of Commerce or a Tourist Association?

### Plans Are Now Underway For 1973 Winter Carnival

The Haliburton Winter Carnival is over for this year, but the Winter Carnival Committee are wasting little time in getting all ready for next year. Following the Rotary Club meeting in Haliburton last Thursday night we had the opportunity of sitting in on a meeting where future plans for next year's event were being discussed. Different aspects of the past Carnival were talked over, with the emphasis being placed on a new look for the future.

Cliff Dawson chaired the meeting and wrote down the many ideas which were being tossed around by those attending. And we might say that some outstanding suggestions arose out of this discussion. By sitting in on this meeting, we also learned of some of the problems facing the Winter Carnival Committee. Some people wonder why this isn't done or that isn't done but the committee explained that in some cases certain events, due to various reasons, are just out of the question.

We would like to make it clear that next year's carnival or any future carnivals cannot or will not be a success unless all of us, as citizens of this community, pitch in and do our part and participate in the various events. It's easy to sit back and say, "Well, we need more events where everyone can participate." One example of this is the Ice Sculpture Contest where the entire family can participate, but how many took the time to make an ice sculpture — not many.

Some of the Winter Carnival Committee members have taken time out to go to various villages and towns where winter carnivals were being held, and they have picked up some good ideas from these trips and hope to put some of these into action next year.

A great deal of time was spent listening to suggestions for events which can be staged on Head Lake. Some good ideas were put forth and we hope that some of them will be used next year, and we might also add that the committee are at work right now in lining up some of the attractions for next year.

If you have any ideas of how we can make the 1973 Haliburton Winter Carnival better please let us know.

### Services Curtailed By Snowstorm

The worst storm of the winter which we had last week curtailed some of the services in and around the Haliburton County area. Bad drifting and heavy snowfalls made driving treacherous and numerous accidents were reported.

Blocked roads in the County of Victoria stopped the mail truck from completing its route from Lindsay last Friday and thus residents of Haliburton County were without mail for one day. The mail service was resumed Saturday.

The Canadian National Railways train from Lindsay, which usually arrives in Haliburton on Fridays between 1:00 and 2:00 p.m., was about four hours late due to the heavy drifting of snow on the tracks.

All schools in the County of Haliburton were open, according to Gordon Sharpless, Transportation Officer for the Haliburton County Board of Education. Only two or three buses were unable to pick up students on township roads.

### Letter To Editor

To The Editor:

It has come to the attention of the "Chalkdusters" hockey club that the Rotary Club of Haliburton was not satisfied with last year's lucky tie game that was a direct result of "Kick-shot Shell's" last minute play. We have heard that the "Rotary Reprobates" are dreaming that they can tie another game this year. (It is beyond their mildest fantasy that they would ever consider a win against the powerful Chalkduster club.)

Therefore, to settle the issue once and for all, the Chalkdusters are tendering a challenge to meet the Rotary Rolly-Pollies on any ice any time. (However, skates must be used — no rubber boots.) Anytime,  
The Chalkdusters.

### 1972 Members Of Board Of Health

Members of the Board of Health of the Haliburton, Kawartha, Pine Ridge District Health Unit for 1972 are as follows: Mrs. Muriel Edwards (Chairman) - Lieutenant-Governor's representative, from Cobourg; Mrs. S. Smith (Vice-Chairman) - Reeve of Emily Township; Mr. J. Starr - Lieutenant-Governor's representative from Woodville; Mr. R. Chatten - Reeve of Brighton Township, and Warden of the United Counties of Northumberland and Durham; Mr. C. E. Heath - Reeve of Hastings; Mr. L. Olan - Reeve of Cavan Township; Mr. G. Agnew - Reeve of Monmouth Township; and Mr. R. Cammack - Reeve of the Townships of Laxton, Digby and Longford.

### Family Fun Night Being Planned

The Rotary Club of Haliburton are planning a giant Family Fun Night at Haliburton on Sunday evening, February 20. The big night is being billed as a wrap-up of the 1972 Haliburton Winter Carnival.

A giant family skating party will be held to kick off the big night in the Haliburton Arena, followed by a giant bonfire and fireworks display in the Fairgrounds. As an added attraction hot baked beans and hot chocolate will be served — and get this, everything is free.

So plan now to bring out the entire family for a big night of skating and eating, and you can gather around the bonfire to watch the fireworks display. Yes, it's a family fun night and everything is free.

Watch next week's Haliburton County Echo for the time and details.

## Break-ins Result Of Drinking Problem

A Highland Grove man who said he helped in the break-ins of four Deer Lake cottages last fall because he had a drinking problem got an instant solution to that drinking problem last Wednesday.

Provincial Judge Ian Munro placed John Hogan, 37, on probation for two years on the four break-in charges and, as a term of that probation, ordered him to refrain from the use of alcohol during that period.

Hogan was also placed on probation for the same concurrent period for failing to appear in

court on December 22.

At his trial, postponed to January 17 because of his failure to appear on December 22, Hogan pleaded guilty to breaking into four cottages with a companion.

He said he had taken part in the break-ins because he wanted liquor.

The companion now awaits trial by judge and jury.

"We must have the worst record in Ontario for break-ins at cottages," said Judge Munro, "and liquor is always the excuse."

His Honour recommended that Hogan join an Alcoholics Anonymous group while on probation.

## Happenings At Lakeview School

On Thursday, February 3, the Lakeview Elementary School students hosted a boy's basketball and a girl's volleyball competition with students from the Archie Stouffer Elementary School. There was an enthusiastic response from the Lakeview students when the Lakeview basketball teams defeated Minden with scores of: Grade 8 boys 8-2 and Grade 7 boys 20-9. Minden was also victorious with two successful volleyball games, the scores being: Grade 8 girls 15-6 and Grade 7 girls 9-6.

The Lakeview Grade Sevens also entered in the Haliburton

Winter Carnival Snow Sculpture Contest with three entries. Mrs. Murdoch's class entered an ice fishing hut, Mr. Granger's class sculptured a Ski-Doo, and Mrs. Berry's class were the winners and received third prize for a sculpture of Snoopy on a Dog House.

Lakeview Elementary School students are currently involved in an Oral Communications Competition. Two winners will be chosen from the local schools to compete at the County Contest on Tuesday, February 15, at the Haliburton Highlands Secondary School.

## Hyland Crest Home News

The residents at the Hyland Crest Senior Citizens' Home in Minden were very pleased when the Brampton Clown Band came to the Home on the Saturday and Sunday of the Minden Winter Carnival weekend. The effort and the kindness of these gentlemen has certainly meant a great deal to those unable to share in the outdoor activities or attend the parade.

A big vote of thanks also goes to Ken Fielding of the maintenance staff of the Home for the great job of constructing "Mr. Hylander", who has become the symbol for the Minden Carnival as well as for The Hylander News which is published for and by the residents of Hyland Crest. Contributions of news and anecdotes

of interest to the senior citizens will be welcomed by the editor, Mrs. L. Rawlins.

It has been something of a disappointment that so little interest has been shown in the Leisure Hours Club for senior citizens of the community as a whole, however, the Hyland Crest residents still will welcome all visitors to join in an afternoon of games which is held on every second Wednesday.

The next project on tap is the Valentine Party on February 12, which is being planned and organized by the residents, who hope their invitation to share the evening with them will be accepted by many of their families and friends.

## HALIBURTON NEWS LETTER

At this time we regret to report the passing away of Mr. Norm Hawthorne, who died at Haliburton on Wednesday, February 2, 1972. He was in his 61st year. The funeral service was held last Saturday from the John Welch & Son Funeral Home in Minden, with interment being made at the Evergreen Cemetery Vault in Haliburton. The late Mr. Hawthorne had a cottage on Loon Lake for many years.

At a recent regular meeting of the Rotary Club of Haliburton the members were entertained by Mr. Cameron Brown, Head Boy at the Haliburton Highlands Secondary School, and Mr. Harold Morgan, also a student. These boys were Haliburton's representatives at the Toc Alpha Convention at Niagara Falls. The boys explained the theme of the seminar which was "People Seeking Alternatives to a Chemical Oriented Society". Apparently all aspects of a better life for society was discussed in a very informal and friendly atmosphere. The boys commented that it was a good experience for them and that they would certainly encour-

age the Rotary Club to carry on with sponsorship of this project.

We regret at this time to report the passing away of Lindsay lawyer Mel Cunningham, who was very well known in this area.

Well, as far as the weather is concerned it just seems to be one thing after another. First it was rain which left everything just an icy mess, then a big snowstorm that tied everything up, and at the time of writing we are in a cold spell with temperatures going down to 36 below zero on Tuesday morning.

Municipal employees were busy on Tuesday clearing the snow from the village roads and streets. They are again to be congratulated on the fine job they do in keeping our streets and roads clear of snow.

One of the most popular events of the season is on this Friday night, February 11, at the Royal Canadian Legion Hall here in Haliburton when the Haliburton

(Continued on Back Page)

## Huskies Defeat Cannington 6-3 — Still Trail Bancroft

The Haliburton Huskies were victorious once again on Saturday night last as they defeated the Cannington Beavers 6-3 in front of 260 local fans at the Haliburton Arena. The Huskies are beginning to jell into a well balanced club as playoffs in the O.H.A. Central Ontario Junior 'D' Hockey League approach. In their last 10 games they have won five, tied two and lost three, and in their last five games they have won four and tied one against the strong Lakefield entry. This points out that perhaps the Huskies are once again going to be the team to beat as the playoffs are about to begin. The Lakefield club has lost three good players and have only won one game in their last three. The Bancroft Jets are still strong and have a three-point lead over the Huskies but have played one more game and with only five games remaining the Haliburton team will have a down-to-the-wire race with the Jets to see who will end up in second place in the league.

On Saturday night the Huskies played a good game but missed countless opportunities to score. The local Haliburton club put the pressure on early in the game, but had trouble finishing off their plays. Cannington got the first counter at the 2:46 mark but Bill Leary scored his first of two goals to tie the game two minutes later. Roger Bain gave the hometown squad the lead at 8:43 and they were never headed from there on in. John Parish scored the Huskies' third goal and his first of two on an end-to-end rush at the 2:20 mark of the second frame, and Rick Wood made it 4-1 only 40 seconds later. Cannington then drew within two goals at the midway mark of the period, only to have Bill Leary score his second of the night during the last minute of play in the middle stanza. Each club scored once in the third period as the going got rough and the Huskies collected six of the seven penalties called. Parish scored Haliburton's lone goal midway through the period to give the Huskies a convincing 6-3 win.

The Haliburton Huskies played only the one game on the weekend as the Friday night game in Cannington was cancelled because of the poor weather conditions. This game will be rescheduled in Cannington on a Wednesday night within the next two weeks.

Gerry McElwain was able to pick up three assists during the Saturday game to continue his leadership of the individual scoring race. With the Huskies and Bancroft playing against each other on the last scheduled game of the schedule, it will be very interesting as the scoring race and second place will be at stake.

The faltering Lakefield Chiefs will be in town here this Saturday night and the Haliburton Huskies are looking forward to this contest, as they tied them on Lakefield's home ice and lost a close 3-2 game to them here on Lakefield's last visit. With the improved play of the Huskies, this game should be very interesting. Be sure to attend and support the hometown Huskies as they make their move towards the league championship.

## Haliburton Mites Post 2-0 Win

The Haliburton Mites hockey team had quite a thrill on Saturday last when they travelled to Kinmount to play an exhibition game. The Mites, who play in a local House League, were playing in their first competition with a team outside of Haliburton.

The Haliburton Mites, whose ages range from five to seven years, made their out of town debut a good one with a 2-0 victory over the Kinmount Mites. The two Haliburton goals were scored by Stephen Smith, son of their coach, Rev. John Smith.

## Haliburton Pee Wees Top Bobcaygeon, Lose First Game 7-4 In Beaverton Series

The Haliburton Pee Wees won their first round of playoffs in two games against Bobcaygeon by scores of 4-0 and 3-2.

The first game of the best-of-three series was played here at the Haliburton Arena. It was Haliburton's Andy Salvatori who scored the only goal of the first period on a pass from Bernie Nicholls and Chris Hodgson. In the second period Tim Bain scored on an unassisted play and John Welburn connected on a pass from Tim Bain, while Bernie Nicholls scored from Chris Hodgson in the final period. Dale LaPorte, in goal for Haliburton, had an easy shut-out due to the hard checking of the Haliburton forwards.

The second game of this series was played at Bobcaygeon last Friday night, with the final outcome being 3-2 for Haliburton. Bobcaygeon had a 2-0 lead before Andy Salvatori scored the first goal for Haliburton with about three minutes left in the second period, with Bernie Nicholls receiving an assist. In the third period coach Albert LaRue went with two lines, and early in the third period Chris Hodgson scored on a pass from Andy Salvatori and Jerry Stevenson to tie the score. Haliburton had many chances to go ahead, but it was not until the 15:00 minute mark that Jerry Stevenson scored the winning goal on a pass from Chris Hodgson.

Haliburton coach Albert LaRue had his team skating and checking and claimed that the Pee Wees were able to win the series over Bobcaygeon with the help of Chris Hodgson and Bernie Nicholls who were brought up from the Haliburton Novice team.

In the first game of the second round playoffs between the Haliburton Pee Wees and Beaverton, the Beaverton team came up with a 7-4 win on their home ice. The second game of this series is to be played at the Haliburton Arena tonight (Thursday) at 7:00 p.m.

**Backpack Lungs**

Backpack lungs filled with sandwiches. Sounds like a gourmet's nightmare. Actually, it's a new device that may aid respiratory patients.

A portable, artificial lung has already been tested successfully on dogs. The developer of the device — Dr. E. Converse Peirce at Mount Sinai Medical Center in New York — says testing in human patients is less than five years away. The device, which weighs less than ten pounds, could conceivably be strapped on like a backpack.

To support a breathing system, the device is connected to the body through a vein. The unit is filled with "sandwiches" made of a thin, transparent material that functions like membranes of the lungs. Carbon dioxide and oxygen through the porous membranes. Oxygen is supplied by a portable cylinder and flows between the sandwiches. Blood, diverted from the vein, flows between the two layers of each sandwich.

To support a human breathing system, 32 to 48 sandwiches — each 20 inches long and eight inches wide — would be necessary. Dr. Peirce says the device could help people with severely damaged lungs: emphysema patients; miners with black lung disease; and patients who have restricted function in one lung after the other has been removed.

It will be years before backpack lungs are available, but this is one of the experimental projects designed to assist people with chronic respiratory trouble in the future.

To find out about the lungs and the help available today for people with lung disorders, contact your local tuberculosis and respiratory disease association.

**OBITUARIES****FRANCIS GORDON BAKER**

Mr. Francis Gordon Baker, an employee of the Borough of York, passed away suddenly at his home in Willowdale on Monday, December 13, 1971.

Frank G. Baker was the beloved husband of Olive Eileen Upton, and is also survived by daughters Helen (Mrs. G. Davis) and Lesa Elizabeth; one granddaughter, Lesa Davis. He was the dear brother of Carmel of Saskatchewan, Laura Farr, Nellie (Mrs. B. Wesbey), and Roy Baker; and dear son-in-law of Lena Upton.

The deceased rested at Kane's Funeral Parlour, Sheppard Ave., Willowdale, from Monday until Wednesday evening and thence to the John Welch and Son Funeral Home, Minden, after 2:00 p.m. on Thursday, then to the United Church at Maple Lake for service at the Church on Friday at 3:00 p.m. The minister of the Northminster United Church, the church which Mr. Baker attended, travelled to Maple Lake and conducted the service. Interment was made in the Maple Lake Cemetery.

The pallbearers were Murray Barry, Karl Barry, Marshall Barry, Junior Barry and Charley Sawyers.

Mrs. Olive Baker and family wish to thank everyone on their behalf — friends, relatives and neighbours — for the kindness shown them after being away from Eagle Lake 21 years.

**JOHN GILBERT DAVIS**

The sincere sympathy of the community is extended to the family and relatives of the late John Gilbert Davis, the beloved husband of Tessa Cox, who passed away on Sunday, January 9, 1972, at the Haliburton Red Cross Hospital.

The late John Davis was in his 83rd year, and had spent most of his life in this vicinity where he was well known and highly respected.

He leaves to mourn his loss his wife Tessa; two sons and three daughters, namely Arnold Davis,

Mrs. Arnold Reynolds (Mabel), Mrs. Garnet Stevenson (Velma), Garnet Davis and Mrs. Mervin Barry (Lois); 20 grandchildren and 14 great grandchildren; and also two sisters and two brothers, Mrs. Oliver Hogg (Bertha), Mrs. Floyd Henderson (Etta), and Ben Davis, all of Minden, and Frank Davis of Lindsay.

The funeral service was held at 2:00 p.m. on Wednesday, January 12, from the Chapel of the John Welch and Son Funeral Home in Minden, conducted by Reverend Oake of the Minden United Church and Reverend Schmitt. Mrs. Schmitt sang "The Old Rugged Cross", accompanied by accordion music. Interment was made at Bethel Cemetery.

The pallbearers were six grandsons, namely Jim Davis, Garwood Stevenson, John Davis, Terry Davis, Lonnie Davis and Larry Reynolds.

Many beautiful floral offerings were in evidence.  
"He is not dead, but sleepeth."

**ALINA R. FLINK**

Mrs. Alina R. Flink passed away suddenly on Monday, January 31, 1972, at the Red Cross Hospital in Haliburton. She was in her 78th year.

She was born in Toronto, and had lived in the Minden area for almost 40 years.

Mrs. Flink is survived by her daughter, Helen Signe Smith, and two grandchildren, Kenneth M. and Timothy H. Smith. Also surviving are three brothers, Dr. O. O. Ranta of Pittsburgh, Pa., Dr. Lawrence Ranta of Vancouver, and John Ranta of Willowdale; a step-son, Thomas Flink of Toronto; and four step-grandchildren.

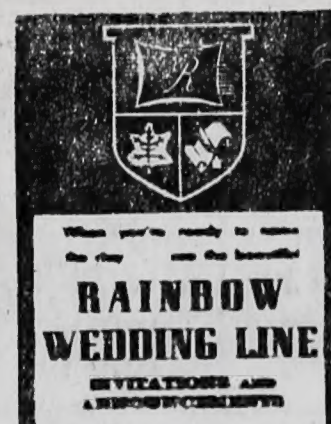

The deceased rested at the John Welch and Son Funeral Home in Minden. Special services in her honour were conducted by the Order of Eastern Star, Chapter No. 230, of Haliburton. Reverend Fred Clappison of the Haliburton United Church officiated at the funeral service, and interment was made at the Ingoldsby Cemetery.

Pallbearers were Pat Minaker, Carl Dugan, Jim Dugan, Harold Deacon, Guy Bloomfield and Thomas Flink.

**Percy H. Bolender  
Called To Rest**

We regret at this time to report the passing away of one of Haliburton's older citizens, Mr. Percy H. Bolender, who entered into rest here at Haliburton on Sunday, February 6, 1972. He was in his 84th year.

The deceased was the beloved husband of Claudia LeBoutillier. The late Mr. Bolender rested at the Funeral Chapel of John Welch and Son, Minden, until Tuesday, February 8, thence to the Kingdom Hall at Haliburton for service at 10:00 a.m. Interment was made at Evergreen Cemetery Vault, Haliburton.

Bill Smiley

WINTER FINALLY GETS TO SMILEY

All winter I've been laughing. Not wildly or out loud, so that some people could do what they've wanted to for years — have me quietly put away.

No, it's just been a steady stream of assorted chuckles, snickers and titters, with an occasional giggle erupting when it poured rain around here in January.

I was laughing, for the first time in about four winters, at the snowmobilers and skiers.

Winter after winter I have sat, glowering inwardly, as the snowmobilers tried to outshout each other in their boisterous, boyish manner, each trying to tell a taller tale than the other about how he jumped the creek or went up a 90-degree slope with no hands, or some such rot.

Winter after winter, I've tried to keep the sour look off my face as the ski hounds burble their "in" talk about how many runs they made, chortle with glee every time there was a fresh fall of snow, and brag about their brand new Scheissmaken eighty dollar ski boots.

For about two months, the winter of 1971-72 was known as "Smiley's Revenge". There was a little snow in December, but it was almost a green Christmas. There wasn't a snowbank worthy of skidding into on New Year's Eve. And the fine weather continued for weeks: lots of rain, high temperatures and virtually no snow.

"Let their snowmobiles sit there and rust", I whispered, barely able to restrain a guffaw. "Let their skis warp and their fancy boots remain unscuffed", I muttered, scarce able to hold back a peal of laughter.

It's not that I have anything personal against these mid-winter bores. Some of my best friends are snowmobilers, though I wouldn't want my daughter to marry one.

And I know some perfectly sensible people who think there is something ineffably enjoyable in sliding down a hill on a couple of inflated barrel staves. The genuine skier thinks nothing of spending ten or fifteen dollars

on a Sunday's skiing, even if he has to cut his church givings to the bone.

And it's not jealousy or spite. Just because I have a rosy knee that would put me on crutches for two months if I had a fall is no reason to envy those who swoop down the hill like a bird.

Same with snowmobiling. I have a slight handicap there, too. I can fly a plane and drive a car, if there are good mechanics around. But when it comes to small motors which stop running, all I can do is stand there and stare, shifting from one foot to the other.

It's embarrassing, but I'm being frank. It's all very well to talk about carburetors and pistons and fuel lines if you know what they are, where they are, and what to do if they aren't working.

I figure I'm lucky if I get the lawnmower started once out of three times, without summoning help. Thus, the only picture I can conjure with me and a snowmobile in it is a nightmare: the pair of us out in the woods, ten miles from nowhere, with the carburetors seized up or burned out or whatever it is they do.

No I don't hate the people or the sports. I just hate snow with a deep and bitter loathing which must have some psychological explanation.

Did I wet my pants, as a small child, while playing in the snow? Did my parents, sick of my eternal wailing, throw me into a snowbank and hastily retrieve me?

I don't know the answer. But I do know that Smiley's Revenge has turned into Smiley's Folly.

As I write, I can't see the house across the street. It's snowing sea-gulls, horizontally, with a forty-mile wind gusting to sixty or seventy.

The skiers are smirking; the snowmobilers are laughing out loud. And I'm crying, deep inside. I knew it was a dream. But dream we must, or we are nothing. Some winter... Well, never mind.

Hand me that shovel, woman, and stand back, out of earshot.

## Minden News Notes

Little mention was made of the Open Air Church Service at the Fair Grounds on the Sunday of Carnival weekend, when a large crowd was in attendance. The service was taken by Reverend A. Hutchison, and the Brampton Clown Band was there as well.

We regret to report the passing away on Tuesday, February 1, of a former resident of Lochlin in the person of Mr. Frank L. Cook, who was in his 95th year. He had moved with his family from Lochlin to Beaverton in 1924. He is survived by his wife, the former Mabel Vincent, and by two sons and four daughters and their families. Mr. and Mrs. Cook celebrated their Seventieth Wedding Anniversary in October of 1970.

Mr. and Mrs. Bert Chamberlain and Douglas of Scarborough spent the weekend in the Highlands and called on her sister and her family, Mr. and Mrs. Bill Moore, on Sunday.

Mr. and Mrs. Leslie Coulter of Kirkfield and Miss Beverly

visited with relatives in the village last weekend.

The Anglican Church Women had a very successful Card Party at the Parish Hall last Wednesday with the winners being: for cribbage - Mary Maidens and Anne Dawson; for bridge - Leona McIntosh and Molly Locke; for euchre - William Everson, Garth Kelett, Terri Cox, Ethel McClelland, and lone hand to Dwight Thomas. The members of the A.C.W. served a very delicious lunch and cup of tea at the conclusion of the games.

Sincere sympathy of the community goes to the family and friends of the late Mr. Jacob Graham, who passed away last weekend.

Patients at the local Hospital early this week included Mrs. Elsie Harrison, Orval Hicks, Robert Brookland, Calvin Sisson, Leonard Lonsberry and Sherry Sawyer. In St. Michael's Hospital at Toronto is Loyne Cox, and in the Princess Margaret Hospital there is Alvin Palmer.

On Thursday night last the Minden Rotary Bingo began at the Lutterworth School and a small crowd braved the stormy night to enjoy their favourite pastime. The Rotary Club certainly lost money that night, but as one member said, "We have never been known to cancel a Bingo!"

At the weekly Mini Card Party at the Parish Hall last Thursday afternoon the winners were Lillian Davidson and Helen Buttmore for cribbage and Doris Craig (on a cut) and Johann Beattie for euchre.

Yet another fire has completely destroyed the home of Mr. and Mrs. Lewis Stevens and Debbie and Jason on Minden Lake, which occurred last Monday morning. Fortunately there was no loss of life.

This is Dental Health Week, and it is certainly a convenience to have our very own successful and capable dentist in Dr. John Purc right here in our village.

A book exchange was made at the Public Library, and we received 25 adult fiction, 50 adult

## Haliburton News

Mr. Bob Carnochan of Orillia was a recent visitor here to Haliburton.

Patients at the Red Cross Hospital in Haliburton this week are as follows: Miss Tammy Baumhour of Wilberforce, Mr. Thomas Maughan of Tory Hill, and Mr. Loyne Henderson of Haliburton.

non-fiction, 75 juvenile fiction and 25 picture books from the Dorset Branch.

Relatives, friends and neighbours gathered at the home of Mr. and Mrs. Wes Sisson of Minden for a Wedding Shower in honour of Mr. and Mrs. Dave Sisson (nee Sylvia Swinson), who were married recently. Dave and Sylvia received many lovely and useful gifts, and wish to thank all those that were present that evening. A delicious lunch was served by the family, and also a tasty wedding cake which was made and decorated by Dave's aunt, Mrs. Ken Billings. An enjoyable evening was had by all.

## Hall's Lake News

We are glad to note that Mrs. Florence Cummings is feeling better following surgery in the Lindsay Ross Memorial Hospital. The cold weather and fresh snow is attracting the snow machine owners to the cottages in this area once again.

Club 35 members and friends will be enjoying a Valentine Party this coming Saturday night - it is to be a box social and ladies are to wear red aprons and bonnets. Admission is a box lunch for two and men are to bid on the boxes when auctioned off.

The residents of the Hyland Crest Senior Citizens' Home in Minden are also inviting neighbours, friends and family to their Valentine Party at the Home on Saturday evening. They really like weekend activities as it helps to pass the time. The Auxiliary member are providing the lunch.

Ice fishing on the lake is turning out very well, but those without heat in their huts find it too cold to stay out for very long.

We have a woodpecker eating out of the holes at the bottom of a tin on a tree outside our kitchen window. The holes were put there to drain moisture out of the tin holding the food. The woodpecker eats from the bottom while a chickadee eats from the top. They both do fine until a fluffy and aggressive little red squirrel arrives.

A beautiful appliqued quilt is being offered to Club 35 by Mrs. Sawyer, quilted by Della Johnson and Edith Russell. The proceeds of tickets go for new chairs for the clubhouse. The quilt will be on display in various commercial spots from time to time, and we hope you will participate.

Mr. Cecil Irwin is going to show some of his excellent pictures on screen at Club 35 on Thursday evening, February 24, at 8:00 p.m. sharp. There will be a silver collection, with coffee and doughnuts being served. Everyone is welcome.

The Annual Vestry Meeting of St. Stephen's Church at Boshkung was held following the afternoon service on Sunday, January 30, at the Stinsons of Hall's Lake. A delicious and varied pot-luck supper was enjoyed by a record number of members and adherents. The Reverend Andrew Hutchison chaired the meeting and Doreen Stinson was Vestry Clerk. Bill Mole was returned as People's Warden and Leonard Stinson as Rector's Warden for 1972, and Lloyd Johnson and Florence Poirier were named as Lay Delegates to Synod (one to go). The ladies of the Guild were complimented on their fine contribution to the upkeep of the Church, and all those who assist in taking care of the Church property and preparing for the regular weekly services were duly thanked. Mrs. William Gartschore was complimented also on her fine job as Church Treasurer and also as Organist, as well as Mrs. Mary Oliver (absent because of ill health). Mrs. Norma Davies as Envelope Secretary was re-elected to office and thanked for her many years of good service. The pretty little stone church at Boshkung is well loved and cared for by a faithful group of parishioners, and we are most fortunate in having the Reverend Andrew Hutchison and his wife and young son David with us.

## Carnarvon News

We have several of our folks in the Toronto General Hospital, and we trust that they will all soon be well again, including Mrs. Irene Stewart who has a cottage on Lake Boshkung and Mrs. Gordon Allcorn; and Mrs. Alice Chambers was in last week but is at home again now.

Mr. Clayton Rogers is in Toronto for a few days visiting with his daughter and her family.

Verne Harrison of Peterborough spent some time on the weekend with his parents, Mr. and Mrs. Bert Harrison.

Mr. John Johnson, Manager of Carnarvon Lumber, who underwent an operation some weeks ago, is now feeling much better and has gone for a holiday to Florida.

The teachers of Archie Stouffer Public School held two showers last week at the home of Mrs. R. Gorrie; a Baby Shower for Mrs. Pat Garrah and a Wedding Shower for Miss Ruth Hirstwood. Miss Hirstwood and Mr. Garrah are both teachers at the Archie Stouffer School.

# CHURCH NEWS

## OAKWOOD HOST NINTH ANNUAL U.C.W. MEETING

The Ninth Annual Meeting of the Lindsay Presbyterian United Church Women was held at the Oakwood United Church on Wednesday, January 26, 1972. The theme was "God is here, let's celebrate together".

Mrs. Allen Bursey, President, called the meeting to order at 10:00 a.m. Two hundred and fifty women braved the elements to attend.

Mrs. Lloyd Graham then extended a warm welcome on behalf of the Oakwood U.C.W.

Mrs. Bursey read a thought provoking article which asked if we are as careful with our time as we are with our money.

The minutes of the last meeting were adopted as printed.

It was decided to pay for one delegate from each region to attend the U.C.W. School for Leaders at Quin-Mo-Lac and \$5.00 to anyone else attending from Lindsay Presbyterian.

The Lindsay Cambridge Street U.C.W. extended an invitation for the 1973 Annual Meeting.

Reports were then given by Mrs. John Coburn, Treasurer, and Mrs. Ronald Pierce, Literature Secretary.

An interesting worship service, "And No One Ask", was presented by Mrs. Allen Bursey, Miss Vina Neal, Mrs. Roy McMullen, Mrs. Ernest Steele and Mrs. Don Hall, assisted by a quartette. The devotion stressed the fact that we are all God's children, no matter what our colour or religion.

The offering was received and dedicated by the Manilla U.C.W.

The organist for the day was Mrs. Lawrence Buckley.

The Conference Annual is to be held at the Lindsay Queen Street United Church on April 10 and 11, and it is hoped that a good number from the Lindsay Presbyterian will attend.

Mrs. Allen Gillis introduced the speaker, Reverend R. C. Plant, Secretary of Education for Mission and Stewardship. Reverend Plant's topic was "Shoes, Snaps and Sealing Wax". Shoes illustrated the vast difference between giving a gift that is thoughtfully chosen and one that is given because we have no further use for it. Ships told the difference between help given a needy country by a missionary supported by the church and the loaning of money with the loaning country being more concerned with its financial gain than with the assistance it is giving the needy country. Sealing Wax reminded us that some things aren't what they seem on the surface, and Jesus cautioned His disciples of this in Luke 20: 46 and 47 — "Beware of the scribes, who go about in long robes, and love salutations in the market place, and the best seats in the synagogues, and the places of honour at the feasts, who devour widows' houses and for a pretence make long prayers." Reverend Plant said it is a time of change, a time of hope and a

time of refinement and that our mandate should be "Go ye into all the world!"

Mrs. Patricia Clark, co-editor of the Observer, then spoke briefly. Reverend D. V. Funnell asked grace and a delicious lunch was served by the Oakwood ladies.

The afternoon session was opened with a sing-song led by Mrs. Hugh Baird.

Miss Vina Neal brought greeting from Mrs. W. H. Seigel, the President of the Bay of Quinte Conference.

Four ladies, conducted by Mrs. Deane Wellman, presented "Ice-breakers 1971", a skit that was presented at the School for Leaders at Quin-Mo-Lac.

Mrs. Ray Hopkins gave the report of the Nominating Committee which was accepted.

Mrs. Bursey expressed her thanks to all who helped her during her term of office.

The installation of the officers was then conducted by Reverend Tom Page of Woodville.

The new President, Mrs. Allen Gillis, spoke briefly and announced an Executive Meeting was to be held at the Fenelon Falls United Church on February 7.

"God is here — let's celebrate. Let us enlist our lives in perpetual celebration over God's goodness and greatness."

## THE DEVIL PROMOTES FALSE RELIGION

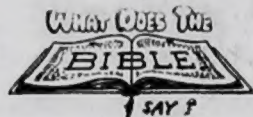

It should not surprise us that the Devil and his demons have many ways of misleading mankind, spiritism being just one of these. What then, is the foremost means by which the Devil, "the father of the lie", turns mankind away from Jehovah? (John 8:44). It is by means of false religion. False religion is worship that is built on falsehoods and that is in conflict with Jehovah's word of truth, the Bible. That is one reason why the Bible points out that if a person worships in a way that is not in harmony with God's word, he is in reality serving the demons, because he is acting in harmony with what they want and in conflict with Jehovah. As I Cor. 10:20 says, "But I say that the things which the nations sacrifice they sacrifice to demons and not to God; and I do not want you to become sharers with the demons." — Deut. 32:16,17.

Although false religions may appear respectable, we should realize that the Devil is like many modern-day underworld or crime leaders who hide behind a front of respectability. What more subtle way could there be for him to deceive people and get them to serve him than by using a religious front that has an outward appearance of righteousness? That the Devil would mislead people by religion that outwardly claims to serve Jehovah is shown in the Bible. As Jesus said at Matthew 7:22,23, "Many will say to me in that day, 'Lord, Lord, did we not prophesy in your name and expel demons in your name and perform many powerful works in your name? And yet then I will confess to them: I never knew you! Get away from me, you workers of lawlessness.'" In fact, the Christian apostle Paul said that "Satan himself keeps transforming himself into an angel of light" and "his ministers also keep transforming themselves into ministers of righteousness." — II Cor. 11:14,15.

So Jesus Christ was not imagining something when he called the Devil "the ruler of the world" (John 12:31). There are indeed wicked spirits misleading the entire inhabited earth. But only a "short period of time" remains before the Devil and his wicked angels are to be put out of operation (Revelation 12:9,12). Meantime, keep free from every form of spiritism and break free from religion that may appear

respectable but is really based on falsehoods such as the trinity and immortality of the soul. You cannot hold to spiritism or any other religious falsehood and get eternal life in Jehovah's new system of things, because it is only the truth that leads to eternal life. — Eph. 6:12,16.

Ray Zwidayk, Haliburton.

## ARE YOU SEEKING TRUTH?

There can be no more noble mind than the mind of a man searching for the truth. Whether it be in the scientific, political or religious realm, he alone who searches constantly for the truth has the possibility of progressing beyond the realms where he now stands. Those who are willing to follow blindly their human leaders who are unwilling to search, themselves, for any additional truth they might find, will never be able to progress beyond the level to which their own human leaders have already led them.

In the religious realm truth is described by Christ simply as "the word of God" in John 17. Since the word of God is complete, thoroughly furnishing us unto every good work, and since it is a perfect law of liberty, all the truth there is in the religious realm can be found in it. That which has for its authority no other source than some human source, can, of a surety, be branded as false in religion. The word of God contains all religious truth we need for the present, and until Christ comes to claim his own.

The New Testament was written by men who were inspired of God to reveal his complete will. They wrote only as the Holy Spirit gave them utterance. Today he who picks up his New Testament and reads it, finds God speaking to him as surely as if the heavens opened and he was hearing the voice of God. Every word in the New Testament has behind it all the authority of heaven. It is eternal truth. Not one sentence can be left out of it without ruining its perfection; and not one sentence can be added to it without destroying its infallibility. It is perfect, undeniable truth just as it is. Indeed as Paul wrote, "which things we speak, not in words which man's wisdom teacheth, but in words which the Holy Spirit teacheth". He who reads the New Testament learns the will of God and he who obeys the commands of the New Testament obeys God.

The religion of Christ offers the only hope to the world. Jesus died on Calvary's cross that His blood might empower the plan of salvation. That plan is the one and only plan for the salvation of all mankind. Everything else regardless of the zeal with which it is proclaimed, falls short in its ability to save the soul.

It was Christ himself who said (in John 18:37): "To this end was I born, and for this cause came I into the world, that I should bear witness unto the truth. Everyone that is of the truth heareth my voice." Thus it was when Jesus walked among men; so it is now. Many men honour God with their lips but their heart is far from him. "In vain do they worship me," Christ said, "teaching for doctrines the commandments of men." (Matt. 15:8,9). The Apostle John guided by the Holy Spirit said "Whosoever goeth onward and abideth not in the teaching of Christ hath not God: he that abideth in the teaching hath both the Father and the Son." (II John 9,10).

Those who seek only the truth find it, for Jesus promised that "He that seeketh findeth and to him that knocketh, it shall be opened." Dare we do less than seek for the truth diligently. In no realm in all the world is truth so important as in the realm of religion. The consequences of error stretch so far beyond the horizon of this present life that the greatest of all disasters that can befall any individual is to be wrong in religion." (See Thess. 1:7-12.)

Evangelist John S. Whitfield, P.O. Box 458, Haliburton, Ont.

YOU ARE WELCOME

## Rev. Wesley Oake

You tell us you are leaving this pastoral charge, The clerical work is just getting too large; You are leaving us here with deepest regret, When we think of you going, our eyes get all wet.

You have been on call twenty-four hours a day, You marry and bury without any pay, Whatever the call, you just can't say no, You climb in your car and off you must go.

You have been with us for four busy years, Sharing our joys, and sharing our tears; You are going to be missed by the good people here, But you say you must go, so be of good cheer.

I'm sure you don't know how much you'll be missed, How many brides you've married, or babies you've kissed, How many deceased you've put under the sod, Committed their souls to the one living God.

Our prayers go with you to your next charge, And hope that your work won't be so large; To you and your family we wish you the best, We trust you'll be able to get much needed rest.

B. F. Harrison.

How about a wooded building lot on a year round road, close to Haliburton Village. Low price - low down payment. Have a look at this property and make offer.

## Outgrowing The Common Cold

There is no cure-all for the common cold. But outgrowing colds may be one way to hold out against sniffles and sore throats.

One intensive study, conducted by the Child Research Council of the University of Colorado, showed that the pre-school child had the greatest number of colds. As age increased, colds declined.

Subjects in the study — 116 boys and 111 girls — were volunteered by their parents before they were born. Their illness records were kept for decades, in some cases as many as 34 years.

The results? Severe infections were most common in the very early years. But they decreased gradually after age two in boys and age five in girls. Mild infections peaked in pre-school and early school years, slowly declined until mid-adolescence, then dropped off abruptly. During the

year, most colds occurred between October and May. Colds were scarce during June, July and August.

The study suggested that antibiotic therapy did not alter the number or the kind of infection. Also, the passage of time had not influenced the incidence of respiratory infection since 1930. Results of the study were published in a recent issue of the American Journal of Diseases of Children, a professional publication of the American Medical Association.

Outgrowing colds can be a long, scratchy wait. And millions of adults are still laid low by respiratory infections every year. To find out more about how your respiratory system works, check with your local tuberculosis and respiratory disease association. And when your system isn't working right, see your doctor.

## Ingoldsby News Notes

Sincere sympathy is extended to relatives and friends of Mrs. Alina Flink, who passed away at the Red Cross Hospital in Haliburton.

Mr. Frank Cook of Beaverton passed away suddenly in his 95th year. The late Mr. Cook and his wife and family were residents of Lochlin where he farmed before moving to Beaverton a number of years ago. He was well known in this community. Sympathy goes out to Mrs. Cook and the family on the loss of a loving husband and father.

A number of relatives from here attended Mr. Frank Cook's funeral at Beaverton on Friday.

A speedy recovery is wished to Mrs. Alf Crofts, who has been on the sick list.

Mrs. Wallace Crofts has returned home after spending a

couple of weeks with her sister in California.

Mr. and Mrs. Pete Burkett of Brampton spent the weekend at their cottage, where they enjoyed ice fishing a couple of days.

Mr. and Mrs. George Robb spent a couple of days in Toronto, where they attended a funeral of a friend.

Mr. and Mrs. John H. Francis and Mr. and Mrs. Ralph Lightfoot left last week for a month's vacation in Florida.

Mr. and Mrs. Ed Carpenter and Albert and Miss Judy Harrison of Carnarvon were dinner guests of Mr. and Mrs. Doug Carpenter and family of Lochlin.

**Sex!!**

Knew that heading would catch your eye!

Knew THIS column you'd not pass by!

Confirms a point I've long suspected...

To be "read" today, writers must be sex-ed!

Sex on radio, on TV.

Sex in everything you see,

Sex in scripts, and songs, and prose,

Sex in hair cream, sex in clothes,

Sex in boats and sex in cars,

Wonder if there's sex on MARS?

Sex discussed at Home and School,

'Sexual Mores and the Golden Rule'.

Sex is "in" these days, no doubt,

Old-fashioned parents, dear, are "out"

"Mother, may I go play with Bill?"

"Yes, daughter dear, BUT take your pill!"

Sex in magazine and book,

Sex in "Time" and "Life" and "Look",

In McCall's, for "him and her", sir,

Even in the church "Observer"! Paperbacks like "Fanny Hill"

May soon be classed with "Jack and Jill"

Sexual pervers? Yes, indeed.

Condemn them? No! Respect their needs.

Publish their problems in great detail

So the kids will read them without fail!

The poor, dear souls are "sick", you see.

(I know what I'd do, where it left to me!)

Sex-words I've never heard before

Pop up in articles galore.

Hate to ask just what they mean,

But I could find out - from any teen!

Songs and dances are "erotic".

(I prefer to say "psychotic".)

In olden days, so sweet and tender,

A hallowed thing, if you remember.

How sad, to watch this generation

Turn sex into a cheap sensation!

(Appeared in Watchman Warder, Lindsay, about 15 years ago)

**Smoke Symptoms**

Parents who smoke at home can aggravate symptoms in some asthmatic children. Even trigger asthma attacks.

In a study of 400 asthmatic children at the Mayo Clinic in Rochester, Minnesota two-thirds of the children were found to be allergic to tobacco smoke. Forty of these youngsters were so sensitive to smoke, in fact, that they suffered an asthma attack just by entering a room with tobacco smells.

Two physicians - Drs. Edward J. O'Connell and George B. Logan - reported the results at a recent meeting of the American Medical Association. "We advise parents not to smoke in their child's bedroom" they said, "in the car with the child, or in any room where the child is sitting."

However, almost half the parents of the youngsters who were sensitive to smoke did not quit even when shown that their smoking was a major cause of their children's asthma. In contrast, one or both parents of 20 of the most severe asthmatic children did quit smoking, and 18 of these youngsters showed a marked improvement in their asthmatic condition.

Drs. Logan and O'Connell said there is evidence that 1.5 million Americans, adults as well as children, are allergic to tobacco smoke and suffer occasional smoke-caused asthmatic attacks. Recent evidence also suggests that even non-asthmatic children are adversely affected by smoke in the home and have significantly more respiratory illness.

To find out more about the affects of smoking and ways to kick the habit, check with your local tuberculosis and respiratory disease association. It's a matter of life and breath.

## MARRIAGE

Mr. and Mrs. Holly Stevenson of Minden are pleased to announce the forthcoming marriage of their daughter Velda to Mr. Donald Ross Shaw Jr., son of Mr. and Mrs. Donald Harold Shaw of Donald, Ontario. The marriage to take place on Saturday, February 19, 1972, at the Haliburton United Church at 2:00 p.m. Dance to be held at the Canadian Legion Hall in Haliburton at 8:30 p.m. Friends and relatives welcome.

## DEATHS

FOUNTAIN, Dorothy — at Maple Lake on Wednesday, February 2, 1972, Dorothy Fountain, in her 64th year. Beloved wife of Farley Fountain of Haliburton; and survived by sons Harry of Maple Lake, Joseph of Toronto, Frederick of Burk's Falls, and daughters Barbara (Mrs. Lionel Holt) of Toronto and Myrna (Mrs. Bill Lyons) of Toronto; 21 grandchildren and one great grandson; and two sisters, Marjorie Rundle of Toronto and Winnie Deering of Toronto. Rested at the Funeral Chapel of John Welch & Son, Minden, for funeral service in the Chapel on Friday, February 4, at 2:00 p.m. Temporary interment at Evergreen Cemetery Vault, Haliburton.

## CARD of THANKS

I would like to express my sincere thanks to my relatives, neighbours and friends for their phone calls, get well cards and visits while I was a patient in St. Joseph's Hospital in Peterborough and on my return home. Thanks also to the Ladies' Auxiliary, Branch 129, and also to Doctors Good and Lewis and to the Nurses and Staff of St. Joseph's.

Betty Wise.

The family of the late John Davis wish to thank our friends and neighbours for their many acts of kindness, floral tributes and words of sympathy in the loss of a dear father and husband. Special thanks go to Dr. Good and Staff, the Ambulance of Haliburton, and also Reverend Lorne Schmitt, Mrs. Schmitt, Reverend Jack and the John Welch & Son Funeral Home. Once again, thank you all.

Tessa Davis and Family.

I wish I could thank each one of you personally for the comfort you gave me after the loss of my mother, Alina Flink. I shall never forget the kindness of the Eastern Star Chapter No. 230, the U.C.W. of Lochlin and Ingoldsby, Reverend Clappison, Mr. Frank Welch and Dr. Brian Good.

Helen Signe Smith.

## IN MEMORIAM

CRUIKSHANKS — In loving memory of our dear mother and grandmother, Francis (Maymie) Cruikshanks, who passed away on February 11, 1962.

A wonderful Mother, in a garden of rest, It's true what they say, God chooses the best.

— Lovingly remembered by the Family.

SPILLENAAR - MINTZ — In loving memory of a dear daughter, Verma, who went to be with the Lord on February 10, 1970; a dear grandson, Philip, on December 3, 1966; and a dear daughter-in-law, Luella, on August 6, 1962.

In My Father's House No, not cold beneath the grasses, Not close-walled within the tomb, Rather in our Father's mansion Living in another room; Nearer than my son, whom fortune, Beckon, where the strange lands loom, Just behind the hanging curtain Serving in another room; Shall I doubt my Father's mercy, Shall I think of death as doom, Or the stepping o'er the threshold To a bigger brighter room; Shall I blame my Father's wisdom, Shall I sit ensnared in gloom, When I know my loves are happy Waiting in another room. — Ever remembered by father and mother, brothers and sisters, Bert and Linda Mintz and Family.

Notice to Creditors  
AND OTHERS

In the Estate of  
ELIZA MARGARET AUSTEN,  
Widow, deceased

All persons having claims against the estate of the above mentioned, late of the Township of Anson, in the Provisional County of Haliburton, who died on the 9th day of December, 1971, are required to file proof of the same with James Alexander Austen and Robert Edward Austen, the Executors of the Estate of the said Deceased, in care of J. ### COMING EVENTS

Announcement: There will be no regular Figure Skating on Saturday, February 12, as this is Test Day for Preliminary Figures, Dances, etc. Our Annual Carnival will be held on March 10 — more on that later.

Stitchery Workshop on February 26 and 27 with Mrs. Allison Jones of Ajax as instructor. Fee \$13.00 which includes a membership in the Haliburton Highlands Guild of Fine Arts. For further information call Mrs. Marie Wallace at 754-2648.

### Skater's Name Omitted

As reported last week, the Kawartha Highlands Interclub Figure Skating Competition took place on January 30. The Juvenile Ladies category was omitted in error. We are pleased to announce that one of our top competitors, Connie Bowers, had a second place finish in this event.

Guy Gordon, the Haliburton Figure Skating Club pro instructor, has brought the local skaters well along the past two seasons.

### Minden News

We were fortunate in our area weatherwise although we did receive a good deal of snow. An interruption of hydro here was only for a few minutes, not like in some Victoria County areas where the power services were off for as much as twelve hours.

### Tory Hill News

Mrs. Gladys Haas and Mrs. Gloria Billings were in Lindsay on Saturday to see Mr. Fred Haas who is very sick. He is in Scott's Nursing Home there.

Mrs. Isabelle Herron is home from the Haliburton Red Cross Hospital where she spent a few days after a bout with the flu.

Mr. Don Finlay Jr. is home from the hospital, and best wishes go to Donnie for a speedy recovery.

Many happy returns go to Mrs. Maude Finlay on her 92nd birthday on February 6th. She is staying with her daughter, Mrs. Jean Hall, in London for the winter. Best wishes, Gramma. All your friends are looking forward to seeing you return home in the spring.

Mr. Tom Maughan has been quite sick and is in the Red Cross Hospital at Haliburton.

Mr. Herb Bates was in Toronto last week for a few days visiting with his daughter Helen.
